

## Town of Medley Chamber of Commerce Proposed Membership Benefits

### Why Invest in the Town of Medley Chamber of Commerce (MCC):

The Town of Medley Chamber of Commerce - **MCC** is made up of a unique mixture of 1,800 plus businesses, Economic Development Organizations, Trade Promotional Organization, National and International Chambers of Commerce, including world-renowned Fortune 500 in Florida and International companies, as well as, smaller start-up firms. Our membership is made-up from a wide range of industries and fields, from high-tech manufacturing to professional services.

**MCC** is committed to providing our members with expanded opportunities to connect with other business leaders and help support the business community and the region.

- **Promoting an Open Advocacy Platform to Improve Economy and Quality of Life**
- **MCC** will promote the development of an open Public - Private (Business) forum of collaboration by promoting a favorable business platform for our members.

- **Make Connections and Gain Visibility**
- **MCC** members are encouraged to participate in our networking events and leadership opportunities. Florida business leaders support **MCC** and its activities through involvement in industry-specific leadership councils, which actively contribute to the growth of existing companies, and bring new companies to the South Florida area. Board of Advisory members with industry expertise are eligible to join councils covering general economic development, global commerce, food and beverage, technology, and supply chain to name a few.
- **Access to Local, National and International Events**
- Through the event opportunities, **MCC** leads the way in providing powerful networking opportunities with events, trade shows and programs designed to give businesses the tools to succeed.
- **Contribution and Access to Local and International Bilateral Trade and Investment opportunities**

To build and promote Florida's global competitiveness through advocacy, education, promotion and information **MCC** in conjunction with Enterprise Florida, US Dept. of Commerce Commercial Services, and many other Economic Development Organizations will continue to promote and assist events and advocacy support work to create jobs through expansion of trade opportunities and investments in ports and international bilateral trade. Access to Education and Business Resources. **MCC's** business resource council provides access to educational, business support tools for our business investors to lead them in the right direction as they navigate the complexities of growing their business. Fundamentals of finance, business development, legal regulations and social and digital marketing media are a few of the learning opportunities we provide our members.

**The Town of Medley Chamber of Commerce is the perfect tool for your  
Industrial and Commercial Business Growth. Join now and grow with us!**
